**MEMORANDUM**

TO: Local and Intermediate District Superintendents  
Public School Academy Directors and Authorizers

FROM: Sally Vaughn, Ph.D. *Sally*  
Deputy Superintendent/Chief Academic Officer

SUBJECT: Extension of Due Dates for the District Improvement Plans

Due to technical difficulties migrating the applications for federal funds from one electronic platform to a new platform, the due date has been extended to July 15, 2012. Recognizing that District Improvement Plans are integral to these applications, the Michigan Department of Education has also identified July 15, 2012 as the due date for the District Improvement Plans.

Please inform your staff working on District Improvement Plans and the federal applications of the new due dates.

Local Education Agencies (districts, public school academies, and educational service agencies) that submit the 2012-2013 Consolidated Application, Title I School Selection Application and District Improvement Plan in substantially approvable form by July 15, 2012 will be able to obligate funds back to July 1, 2012.

If you have any questions, you may call either Mike Radke at 517.373.3921 or Linda Forward at 517.241.3147.
